

# Freshpack

---

## Product description

Name: Freshpack  
 Description: printed green  
 Art. Nr.: 14164, 14165

## Product detail

Art.-Nr.	Description	Colour	Dimension (lxw)
14164	Freshpack	brown	35 x 25.5 cm
14165	Freshpack	brown	35 x 51 cm

## Material / Composition

Material 50 gr. Paper + 15 gr. MaterBi  
 Print: Water Inks

## Packaging / Storage

Storage temperature +4/+25°C  
 Storage humidity dry  
 Storage/durability 24 months

**Characteristics:** Heat sensitive

**Bio-degradability:** The products are completely bio-degradable

**Certificates for MaterBi:** Tested according to EN 13432  
 OK Compost Nr. O 13-1144-A

**Customs duty number:** 4810.3190

**Reclamation:** Deliveries, which differ from the listed specifications, will be withdrawn and replaced after review.

**Declaration of conformity**

These articles meet the following regulations and are suitable for direct contact with food :

**EU-Regulation 1935/2004EC** on materials and articles intended to come into contact with food with possible amendments.

**EU-Regulation 10/2011/EC** relating to plastic materials and articles intended to come into contact with foodstuffs with possible amendments.

**EU- Regulation 2023/2006** on good manufacturing practice for materials and articles intended to come into contact with food with possible amendments.

**EU-Richtlinie 1985/2005/EC** establishing the standard import values for determining the entry price of certain fruit and vegetables.

**Purpose of use**

Suitable for all kinds of foods

**Overall migration limit**

The overall migration limits have not exceed the value of 10mg/dm<sup>2</sup> in the following testing condition:

- 10 days at 40°C in water
- 10 days at 40°C in 3% acetic acid
- 10 days at 40°C in ethanol
- 10 days at 40°C in olive oil

The calculations are based on the assumption that 0.2l of food comes into contact with the packaging material 0.5dm<sup>2</sup>.

**Specific migration**

All other specific restrictions whose the monomers or/and the additives are subjected to, are respected in accordance with the usage conditions above mentioned.

**Dual Use Additive**

There are no dual use additive used.

These informations are based on our current knowledge and understanding. Specifications may be adjusted at any time, without prior notice.
